Subject: Reminder: Flu Shots! Get Your Flu Shots!

It's that lovely time of year again - the leaves are turning, there's a fresh scent of autumn in the air, your nose is running, your throat is scratchy, you feel like you're gonna hurl... Wait! That's not what autumn's supposed to feel like! To help us all hold back the flu-monster, the Red Cross is coming to give us all flu shots. You can get yours **this Friday**, October 27 in the Skyline conference room on the 6th floor of Pershing. Just show up some time between 9:00 a.m. to 1:00 p.m. and roll up your sleeve. The cost is \$10, so please **bring a check** with you made out to the American Red Cross (or if you prefer, they'll take cash-ola, just please be sure to bring the exact amount.)

And no, you're not going to get out of it. We checked, and they have plenty of the vaccine!
